In this course, students work under an experienced supervisor as a team in the field of respective discipline to pick a core discipline project and analyze the project work results. The conduct of the course shall be governed as per curriculum requirements laid down by the University.

Course Component Weightage:

Attendance	Continuous Assessment	MTP	ETP1 (Internal)	ETP2 (External)
0	45	0	55	0

Attendance Requirement: Weekly as per Time Table Report

Continuous Assessment (CA): Monthly (as applicable)

CA Evaluation Parameters:

Parameter	Marks
Quality	30
Regularity	10
Report Writing	20
Work Approach	10
Work Plan	30
Total	100

End Term Practical (ETP) Parameter:

Parameter	Marks
Field Contribution	10
Literature Review	10
Objective	10
Presentation	10
Question Response	10
Report Content	10
Research Methodology	10
Result Outcome	10
Work Plan	10
Written Report	10
Total	100

Applicability of R Grade: Yes

The conduct of the course shall be as per issued guidelines for respective courses by the University
